**COUNTY: Jefferson****SIZE: 40+/- Acres****ASKING PRICE: \$259,900****BUILDABLE & TILLABLE ACREAGE NORTH OF OSKALOOSA**
Divided for Dual Use or Development

This 40-acre parcel north of Oskaloosa, Kansas offers a rare opportunity to own productive farm ground that's also ready for residential development. The land has already been legally divided into two separate 20-acre buildable tracts—providing excellent flexibility for homebuilders, investors, or those looking to build a home while retaining additional acreage for future use or resale.

With gently rolling terrain and productive tillable soil, this property is ideal for continued agricultural use, homesteading, or creating a peaceful rural retreat. Whether you're seeking a primary residence, weekend getaway, or long-term investment, this land presents multiple possibilities.

Property Highlights:

- 40 total acres of tillable farmland, already surveyed into two 20-acre buildable parcels
- Productive soil currently farmed—generate income or use for your own operation
- Quiet country setting just minutes from Oskaloosa and a short drive to Lawrence or Topeka
- Gently rolling topography with open views and flexible building sites
- Utilities nearby, making development straightforward for new construction or manufactured homes
- Ideal setup for multi-generational living, investment resale, or building on one and leasing/farming the other

Enjoy the beauty and simplicity of rural Kansas while still being conveniently close to town amenities. This is a practical and versatile land ownership opportunity in a peaceful setting.
